

LEARNING THROUGH INTERACTIVE PLAY-BASED ACTIVITIES

STARTING SOON! JANUARY 2020!

SOCIAL SKILLS GROUPS

Over the course of 8-weeks and with the support of licensed experienced child/adolescent therapists, children ages 3-10 will learn skills for building friendships and having more positive relationships. Parents must be present the last 15 minutes for session review, wrap up, and homework. Children ages 6 will be assessed to see which group would best meet their needs.

TOPICS INCLUDE:

- Understanding & managing feelings, interpreting others' body language
- Taking turns with peers
- Thinking of others (Empathy)
- Whole body, active listening
- Problem solving
- Cooperation & teamwork
- Flexibility for the unexpected
- Conversation starting & asking questions
- Personal space/boundaries
- Responding to peers & making friends
